

**IGNATIUS 500 FUND
GRANT APPLICATION**

"It is good to remind ourselves that the wound Ignatius suffered in Pamplona was not so much a happy ending, but rather a happy beginning. Conversion consists sometimes of great moments of change, but it is also a never-ending process. We need to put Christ in the center every time, again and again. This process is a pilgrimage along winding roads, up and down, sometimes having to retrace our steps, sometimes feeling lost. But it also includes meeting people along the road who indicate the way and reach out their hands to us." Fr. General Arturo Sosa
